PURPOSE

We aim to ensure children and families receive a positive and informative enrolment and orientation process that meets their individual needs. We strive to establish respectful and supportive relationships between families and the Service to promote positive outcomes for children whilst adhering to legislative requirements.

SCOPE

This policy applies to children, families, staff, approved provider, nominated supervisor, management, and visitors of the Service.

ENROLMENT

According to the Child Care Provider Handbook (April 2025) '*enrolling children is a requirement under Family Assistance Law for all children who attend childcare (or have an arrangement for care) regardless of their parent's or guardian's eligibility for Child Care Subsidy… An enrolment links the child, the individual claiming the subsidy and the childcare service.*' An enrolment notice is required for each child attending the service. This reflects the type of arrangement that is in place between the provider and the family/individual or organisation.

IMPLEMENTATION

The *Education and Care Services National Regulations* requires approved providers to ensure their services have policies and procedures in place for enrolment and orientation (regulation 168) and take reasonable steps to ensure those policies and procedures are followed (regulation 170).

Our Service accepts enrolments of children aged between 6 weeks- 6 years of age.

Enrolments will be accepted providing:

a) the maximum daily attendance does not exceed the licensed capacity of the Service

b) a vacancy is available for the booking required

c) the adult to child ratio is maintained in the room

PRIORITY OF ACCESS

Our Service aims to assist families who are most in need and may prioritise filling vacancies with children who are:

- at risk of serious abuse or neglect
- a child of a sole parent who satisfies, or parents who both satisfy, the activity test through paid employment.

Providers are asked to (but are not legally obliged to prioritise children). [CCS Handbook p.36]

ENROLMENT

To secure a child's position families are required to pay an administration fee (upon enrolment and then annually at the beginning of each calendar year) and up to four weeks in advance depending on the current billing cycle.

When a family has indicated their interest in enrolling their child in our Service, we will organise an enrolment meeting/walk through to share information and build relationships.

- Families will be provided with a range of information about the Service which may include:
  - the service philosophy, inclusion, programming methods, fees, Child Care Subsidy, policies, procedures, SunSmart requirements, food requirements, regulations and the licensing, Early Years Learning Framework, , signing in and out procedure, room routines, educator qualifications, introduction of educators and educator and parent communication strategies.
- Families will be invited to ask questions and seek any further information they may require
- Families will be provided with possible vacancies and start date
- Families will be invited to bring their child into the Service at a time that is mutually convenient to familiarise themselves with the environment and educators as part of the Orientation process
- Any matters that are of a sensitive nature, such as discussing a child's medical needs, court orders or parenting orders, will be discussed privately with management. Families will be required to bring any documents required in relation to court orders, medical needs or plans.
- Families will complete the enrolment form informing management of their child's interests, strengths and individual needs

- If a family or child uses English as a second language or speak another language at home, we request that families provide us with some key words in the language/s the child speaks so that educators can learn these words. Educators may use visuals to assist the child's understanding and be able to communicate with others.
- Families who wish to receive CCS as reduced fees must apply for CCS through the MyGov website/app.. Applications prior to January 2026 will require families completing the Child Care Subsidy activity test. From January 2026 the activity test will be replaced with 3-day guarantee initiative.
- Information about gap fees and absences will be discussed
- It is a legal requirement that prior to the child starting at the Service we have all required documents including
    - the completed enrolment form
    - medical management plans (if relevant) completed by the child's general practitioner
    - a current Immunisation History Statement from the Australian Immunisation Register (AIR) showing the child is up to date with immunisations for their age *and*
    - details of any court orders, parenting orders or parenting plans
- It is a requirement of Family Assistance Law that immunisation information held by the Service is kept current. Parents are reminded mid-way through the year to provide any immunisation updates to the Service in order to continue receiving childcare subsidy.
- Children must meet the immunisation requirements to be eligible for Family Tax Benefit (FTB) Part A and Child Care Subsidy (CCS). Some exemptions apply; however, families are advised that vaccination conscientious objection is not a valid exemption.
- Parents must notify the Service if their child is not up to date with their immunisations for their age via the enrolment form and attach the required documentation on their *AIR immunisation History Statement.*
- National and state legislation in relation to immunisation for childcare
- To have an enrolment confirmed for a child in long day care, kindergarten, family day care or occasional care, parents/carers have to provide the service with a current immunisation history statement to show the child is up to date with all vaccinations that are due for their age.
- Unborn children may be placed on the waiting list to avoid the unfair allocation of places that may occur if children can only be placed on the list after birth. If an unborn child is placed on the waiting list, the family must advise the Service of the expected birth date. It is the responsibility of the parent to inform Management of the name and date of birth of the child within three months after the

expected birth date. If this information is not provided, then the child and family details will be removed from the list.

- National and state legislation in relation to immunisation for childcare.
- (Victoria) To have an enrolment confirmed for a child in long day care, kindergarten, family day care or occasional care, parents/carers have to provide the Service with a current immunisation history statement to show the child is up to date with all vaccinations that are due for their age.

CHILD CARE SUBSIDY

Child Care Subsidy (CCS) offers assistance to families to help with the cost of childcare for children aged 0-13 years. There are three factors that determine a family's level of CCS. These are:

- Combined annual family income
- Activity test – the activity level of both parents
- Service type – type of child care service and whether the child attends school

- Documentation may be required such as Australian driver licence, Australian passport, foreign passport, Australian birth certificate, Australian Marriage certificate, Australian citizenship certificate
- Families are provided with a Customer Reference Number (CRN)
- Child Care Subsidy is paid directly to providers to be passed on to families as a fee reduction
- Families will contribute to their childcare fees and pay the Service the difference between the fee charged and the subsidy amount- generally called the 'gap fee'
- Families may also be eligible for Additional Child Care Subsidy depending upon their circumstance.

COMPLYING WRITTEN ARRANGEMENT

- The Provider and Parent must enter into an agreement regarding the planned arrangements for care of a child, this is called a *Complying Written Arrangement* (CWA) and is an agreement to provide care in return for fees.
- The CWA must be recorded, and the parent must confirm the terms of the agreement via the service software provider.
- The CWA must include the following information:
    - the names and contact details of the provider and the individual(s)
    - the date the arrangement starts
    - the name and date of birth of the child (or children)
    - if care will be provided on a routine basis and if so, details about the days on which sessions of care will usually occur
    - the usual start and end times for these sessions of care
    - whether care will be on a casual or flexible basis (in addition to, or instead of, a routine basis)
    - details of fees charged under the arrangement (providers can reference a fee schedule or information available on their website), which the parties understand may vary from time to time.
- Where there are certain changes (fees or booked days) to the individual Complying Written Arrangements (CWA) for care between the provider and an individual, the provider must update the arrangement in writing, and the families are required to confirm the changes by signing the updated CWA.
- An enrolment notice must be submitted within 7 days following the signed CWA and enrolment acceptance.
- Once the provider submits an enrolment notice the family will be asked to confirm the enrolment through their MyGov account.

ADDITIONAL CHILDCARE SUBSIDY PROCEDURE

Our Service will ensure all ACCS applications are managed in line with the Guide to Additional Child Care Subsidy (child wellbeing) and CCS Handbook

- Parents can apply for ACCS (grandparent), ACCS (temporary financial hardship) or ACCS (transition to work) through Centrelink directly
- The provider can apply for ACCS (child wellbeing) through the CCS software or PEP for children identified at risk of serious abuse or neglect
- Once a child has been identified as 'at risk' the Service will check the ACCS eligibility requirements from the Guide to the ACCS (Child Wellbeing)
- If the Service deems the child is eligible for ACCS the service will submit an initial ACCS Certificate for a 6-week period
- The Service needs to provide a referral to an appropriate support agency in conjunction with the submission of an ACCS certificate
- If further ACCS (Child Wellbeing) is required following the initial 6-week certificate the service may apply for a Determination for a period of up to 13 weeks
- Following an application for an ACCS 6-week certificate the provider will abide by the requirement to make an ACCS (child wellbeing) referral to an appropriate support agency
- Following an application for an ACCS 13-week determination the provider will abide by the requirement that the application must be accompanied by evidence, dated less then 6 months old, or a statutory declaration that supports the provider's view that the child continues to be 'at risk'
- If the child continues to be 'at risk; after the initial 13-week determination, then the provider needs to lodge a subsequent determination application.

ON THE CHILD'S FIRST DAY

Consideration will be made to each family regarding the initial settling in period and strategies may be offered to assist both parents and the child. Parents will be reassured that they are able to stay with their child for as long as they choose in the early days; speak to their child's educator at any time; contact the service during the day to 'check' in on their child and request help with separation if this is a problem for their child.

On the first day, the child and their family will be welcomed by the nominated supervisor and shown where or how to sign their child in/out of the service.

- They will be greeted and walked to their room
- The educator will discuss what is happening in the room, and show where the child's locker is located
- Information about collecting their child at the end of the day will be discussed

- Educators will ensure information about the child's first day is shared with parents (through online APP)

ENDING AN ENROLMENT

- Families are required to provide management with two weeks written notice when withdrawing their child from the Service. The letter must state:
    - the date they are writing the withdrawal notice
    - the child's last day of attendance.
- Written withdrawal notification can be emailed or handed to management
- This letter will be placed into the child's file and archived once they have left the Service
- All records related to a child's enrolment must be kept securely until the end of 3 years after the last day of the child's attendance
- Management will add an end date into the Service software program to ensure compliance with the Family Assistance Law
- Fees will be charged up to the end of the two weeks from the date at which notice was received in writing, whether or not the child has attended the Service during those two weeks
- A final account is to be processed by administration and noted on the withdrawal form. The final account is to be issued immediately to the family advising of the balance (payment is due or no payment due as applicable)
- A copy of the final account and withdrawal form is to be kept in child's file
- Families must ensure the account is paid prior to final attendance
- If payment has not been received, the debt recovery process is to start immediately
- If the child does not attend during their two weeks of notice, Child Care Subsidy (CCS) may not be paid after their last day of attendance (including if the child does not attend on their last day) and full fees will be applicable (This is a policy of the Family Assistance Law in relation to Child Care Subsidy)
- If at any time during the child's enrolment it is felt that it is necessary to discuss the viability of the placement due to a concern regarding the duty of care to the child or other children in our care, the Service will immediately contact the parent/authorised person/s to discuss all options. This may include the termination of the child's position.

EMPLOYEES WITH CHILDREN AT THE SERVICE

Employees are welcome to enrol their child at the Service, however, if an employee is terminated from their position, the Service reserves the right to terminate the child's position due to conflict of interest.

14 WEEK RULE (CCS)

- An enrolment will end for Child Care Subsidy purposes, if a child does not attend a session of care at our Service for 14 continuous weeks. This is a rule set by CCS and the Department of Education. For further information see the CCS Handbook.

CONTINUING ENROLMENT FOR THE NEW YEAR

- Prior to the end of each year, families will be provided with a letter to confirm their child's continuing enrolment for the New Year.
- Failure to return this letter may result in their child not being considered for a future position.
- Families with children going to school the following year will be required to complete the Re-enrolment form confirming that their child will be going to school the following year, adding an end date to their child's care
- Families who require care in the New Year until the school year starts, will need to advise management in writing on the Re-enrolment form, stating their child's last date of attendance at the Service. Any extensions to the advised date will be assessed by management and subject to availability which will be confirmed in writing for families.
- The Complying Written Arrangement will be updated
- Families eligible for Child Care Subsidy are responsible for ensuring that all information requested by Centrelink is provided to them in order to ensure no interruption to CCS payments.

UPDATING AND ENDING ARRANGEMENTS AND ENROLMENTS

Enrolment notices must be updated in the following circumstances:

- The family disagrees with details of an enrolment and the Service agrees an update is required
- The care arrangement between the Service and family changes
- The Service notices information on the enrolment is incorrect
- The enrolment ends

Our Service will update the enrolment notice with our CCS Software (or PEP) with 7 days of any of the events above occurring.

ENROLMENT RECORD KEEPING

Our *Record Keeping and Retention Policy* outlines the information and authorisations that we will include in all child enrolment records.

TERMINATION OF CHILD'S ENROLMENT

Our Service has a range of policies and procedures to ensure the safety, welfare and wellbeing of children, staff, families and visitors of the Service. We reserve the right to terminate a child's enrolment if at any time a Service policy has been breached.

This may include:

- failure to comply with the enrolment contract
- disparaging, hurtful, or unsafe behaviour of a child that continues even with parent collaboration and/or support agency involvement in modifying the behaviour
- non-payment of childcare or late fees and/or recurring late payment of fees
- continuing to pick up the child past the required licensed time after consistent documented warnings
- inability to meet the child's individual needs without family support and commitment to ensure their child receives the best possible support within our Service
- deliberate impertinence towards the approved provider or staff- *Code of Conduct policy*
- if a parent knowingly brings their child ill to the Service
- consistent child-rearing style differences between the parent and provider
- false information given by a parent either verbally or in writing
- bullying and/or harassing educators, children or families enrolled at the Service- *Code of Conduct Policy*
- failure to provide AIR Immunisation History Statement or AIR Immunisation Medical Exemption form or AIR Immunisation History Form (catch up schedule).

Management or the nominated supervisor will advise families in writing that their child's enrolment will be terminated following all attempts to rectify any non-compliance.

- Two weeks' notice will be provided to families, unless the safety and wellbeing of other children, staff or families is at risk. In this case, an immediate termination of enrolment may apply.
- Any outstanding fees will be provided to families and remain due to be paid upon termination of enrolment.

BEHAVIOUR GUIDANCE

There are times when children's behaviour requires guidance, which will always be undertaken according to the Service's policies and procedures. Every effort will be made to deal with the behaviour using positive guidance and working closely with families to implement a plan in order to help rectify any unacceptable behaviour. If the child's behaviour continues to be disruptive and harmful and the safety of other children and staff is compromised, we reserve the right to ask you to withdraw your child from the Service.

CONTINUOUS IMPROVEMENT/REFLECTION

Our *Enrolment Policy* will be updated and reviewed in consultation with families, staff, educators and management.
